No refunds will be given for any reason if a participant starts and then fails to finish the course. Refunds will only be given to paid participants if they notify our **offices within one calendar week** of the beginning of each class to select another class choice or request a refund – **no exceptions**. If Marin Child Care Council cancels a class due to low enrollment or unforeseen circumstances, the participant will be notified prior to the start of the class and be given the option of rescheduling or receiving a refund. Please make sure, before you sign up, that you will be able to attend the class on the date specified. If you have any questions regarding class registration and cancellations you may call our office at (415) 472-1092.

Please plan to arrive at the class **ON TIME**. If you are more than 10 minutes late for a class, you risk being turned away from the class and forfeiting your registration fee. **You will only receive a call if the class you requested is full or cancelled.**

It is recommended you register for the class you are interested in at least **ONE WEEK** before the class begins.

The full 15 hour course meets California's Health & Safety requirement for child care providers as mandated by AB243. The course includes Adult, Infant and Child CPR, Child Care First Aid, and Child Care Health & Safety.

To successfully complete the American Red Cross classes offered (CPR, First Aid and Preventative Health and Safety), a written exam is administered at the end of each class. If you are unable to complete this exam, certification can not be granted. This is a mandated requirement from the state of California.

You should receive American Red Cross cards for each section of the course(s) you successfully completed **between 4 – 6 weeks after the course ends**. These must be kept for licensing purposes and re-certification

The CPR component must be re-certified within one year of the date that is printed on your card. Every two years, an 8 hour course consisting of Adult, Infant and Child CPR and Child Care First Aid must be completed. The Health & Safety component need only be taken once. If you lose your cards you need to call the **American Red Cross at (415) 427-8000**. If you have taken CPR with the American Heart Association, you may only attend the American Red Cross CPR re-certification classes if your card is less than one year old.
